## Off to school

Philippines,  
Haiti

**A backpack of dependable school supplies** is a small way to make a big impact for a child.

When families are struggling even to feed their children, the cost of school supplies puts education out of reach. Your practical gift of a backpack can open up a whole year of education for a young student.

In Haiti, families also receive first-aid supplies for emergency preparedness.

#02 Backpack and supplies £15 ♥

## Education for the deaf

Malawi

#03 Hearing aid technology £200

At the Mpalankhanga School of the Deaf, 22 girls are struggling to learn by reading the teacher's lips, which may be difficult to do in a dark classroom without electricity.

When you **give a student a hearing aid technology**, you encourage them to persevere and that their education matters.

Your gift will empower a disabled student to stay in school and to hear opportunity knock for them.

**Tell friends and family. Share the good news of [eiuk.org.uk](http://eiuk.org.uk)**

## Goats and chickens

Philippines, Tanzania

Healthy livestock are a great blessing to struggling families and young mothers. By giving the start of a herd or flock, you give an ongoing source of **wholesome eggs, meat protein or much-needed income** at market.

These hardy animals bless even the littlest members of the family with the nutrition to grow, and funds to afford education. Our local partners purchase all animals nearby and provide training.

When you give to this exciting movement, you provide Kairos **discipleship training** to one Ugandan believer. The Kairos Course is a key tool for teaching biblical, historical, strategic, and cultural aspects of missions.

In nine sessions, participants learn how to respectfully meet with remote villages and share God's heart for all nations.

## Equip a youth choir

Malawi

#18 Choir book  
devotional £5 ♥

"Come into His presence with singing!"

Youth in Malawi love to sing in church choirs. Their choirs enrich their communities and they build lifelong friendships. Yet the youth often don't know the meaning of the lyrics of their favourite songs.

Your gift will build up their faith through **song devotionals**. Each devotional speaks to the spiritual significance of a song, shares discussion questions and suggests ways to prepare for worship.

## Girls' health education and supplies

Malawi, Tanzania, Uganda

#19 Girls' health £10 ♥

Adolescence may not be easy, but it shouldn't end a girl's education. Too often teen girls drop out of school when they lack **sanitary supplies and accurate health knowledge**.

With your practical gift, girls will receive dignity kits with washable cloth pads, as well as caring teaching to understand and value their bodies. You will help more girls avoid early marriages, and unwanted pregnancies, empowering them to embrace their future.

Together, we've reached thousands of people with Christ's love and practical support.

## Meet an urgent need today
